Hindi is the second most widely spoken language in the world, and is the official language of India. Children derive many benefits from early language instruction, such as: Basic skills performance, superior complex problem solving skills, connections have been found to creativity, memory and listening skills.

In this course, Children will be learning basic Vowels, Consonants, Vocabulary, Reading and Writing Hindi. This is a 9 month program from August – May. At the end, of this program, your child will know basic reading and writing skills. Middle Schoolers will advance to grammar, higher vocabulary, sentence and speaking skills after completing basics skills.
