

Valley Ridge Academy

Volume 4 Issue 5 May 2018

Message From the Principal

Parents, Guardians and Hawks,

We are well underway of the 4th quarter and it seems that the pace of life and school gets quicker by the day. Summer is on the horizon and you can feel the energy of the season in the air. Students and teachers continue to work hard and I am happy to see their continued focus on rigorous instruction as we make the final push for the end of the year. It is during this time of year that we will have a multitude of events and activities throughout the school. With a school the size of VRA, conflicts and overlaps between grade levels are unfortunately unavoidable and we do apologize in advance. If you are planning to attend any school based function, either on campus or during a field study, please make sure that you have completed the volunteer registration process. The link for the completing this form can be found on the VRA homepage.

Please join us for the VRA Drama Club's presentation of Disney's Beauty and the Beast Jr. Performances on Thursday, May 10^{th} and Friday, May 11^{th} from 6:00pm – 7:15pm in the VRA cafeteria. Tickets are \$5.00 and will be available at the door.

I am excited to announce the first annual PBIS Presents: Ties and Tiaras Dance on May 4th from 6:30pm – 8:30pm. Come and enjoy an evening of dancing and entertainment with your son and/or daughter. We will have a photo booth, snacks and entertainment. Parents and children in grades K-8 are invited to attend. Tickets are \$5 per ticket with all proceeds going to benefit the VRA PBIS program. A big thank you to our event sponsor, The Heather Loveland Dance Academy. If you are interested in attending, please RSVP by April 27th. RSVP information can be found on the VRA homepage. Hope to see you there!

Congratulations to all of the 4th and 5th grade students who competed in the 2017-2018 Stem Fair. The scope and depth of the projects were extremely impressive. I would like to recognize the following students for being selected to represent VRA at the upcoming District STEM Fair!

4th grade: Harrison Hackett (Mrs. Murphy)-Gas from Garbage

4th grade: Lucy Krum (Mrs. Beaulieu)-Reading vs Gaming

5th grade: Abiel Bismi (Mrs. Gangi)-Caffeine-Boon or Bane

5th grade: Katie Townsend (Mrs. Southworth)-Sassy Grass

5th grade: Jack and Sam McConnell (Mrs. Bostic)-Trials of Erosion

It is my privilege to recognize 5th grader Katie Townsend (Ms. Southworth) for representing VRA at the District Tropicana Speech Contest. Watching her in the competition with students throughout the District, I came away so impressed with her poise and confidence. She represented herself and VRA extremely well and everyone at VRA is proud of you! As the 2017-2018 school year comes to a close, I would like to express my gratitude to each one of you for your support and assistance in making this year one of VRA's best. We continue to grow both as a school and a community and each year we build together upon the foundation of years past. This school year was no exception as we continue to establish our own traditions and a further our reputation for academic excellence.

I would like to extend my sincerest thanks to all of the teachers at Valley Ridge for their hard work and dedication. Their commitment to their students is visible each and every day in all they do. It is truly a privilege to work with such a wonderful group educators. I would also like to recognize my Administration team and all of the school support staff. These individuals work tirelessly, often behind the scenes, to make sure that our teachers are able to put all of their focus into the classroom. A school the size and scope of Valley Ridge requires a great deal of management just to keep the doors open and without such a hardworking and dedicated team, it would not be possible.

I would like to congratulate all of the students of Valley Ridge Academy for your hard work throughout the year. However, more important to me than our students' academic success is the stellar examples of character that I see on display each and every day from the student body. I have always said that given the choice between academic high achievers or students with great character, I will take students with great character 10 out of 10 times. Students are the heart, soul and purpose for any school, and that is especially true here. I could not be more thankful to have the opportunity to watch our students grow throughout the year into such upstanding and accomplished young people.

Finally, I would be remiss not to acknowledge those students who will be leaving Valley Ridge Academy this year either by way of moving on to high school or as a result of rezoning. While I know you will all continue to grow and prosper at your new schools, just know that you always have a place in the hearts of everyone at VRA. You will always be Hawks and we will miss you!

1st Grade Liveschool Quarterly Rewards

PBIS is our awesome team of teachers, staff, parents, and students that put together our behavior

system at VRA-Liveschool! First graders earn liveschool

points throughout each quarter. The first grade teachers came up with free items that students could shop for to spend their liveschool points throughout the school year. Each teacher created a shopping menu

in their own classroom with items like, rent a chair, desk swap, treasure box, rent a wobbly stool, lunch with the teacher, etc. Each quarter

there was an additional \$100 activity for the entire 1st grade to have the opportunity to purchase. The rewards were created by the teachers and were all cost free re-

wards. First grade had a camp and read with flashlights in the library hour,

dance party outside, lunch under the pavilion with the first grade teachers, and our final incen-

tive will be Choose Your Activity. First graders who purchase the reward can visit another first grade classroom for

a make your own craft, dance it out time, technology time, outdoor activity, or board game free time. The kids

really enjoyed having these extra incentives throughout the year and the first grade teachers worked very hard to implement the liveschool reward system this school year.

Do those numbers surprise you?

So, are you sending your child off to bed early enough? If those numbers are surprising to you, you're not alone. Working and single parents, especially, are often forced to get by on 5, 6, or even fewer hours of sleep each night. This is likely impacting your own social and mental functioning, as well as increasing your risk for other health problems. It might be tempting to think that your children can also get by with less sleep than they need, or that they should be able to cope fairly well with a few skipped hours here and there. However, all children thrive on a regular bedtime routine. Regular sleep deprivation often leads to some pretty difficult behaviors and health problems-irritability, difficulty concentrating, hypertension, obesity, headaches, and depression. Children who get enough sleep have a healthier immune system, and better school performance, behavior, memory, and mental health.

As we near the end of the school year, I would like to remind you that your child's medication needs to be picked up from the clinic by MAY 24th, 2018. School policy does not allow for medication to remain in the school over the summer. It will be important for you

to make arrangements to pick up your child's medication since medications may not go home with the student. Any medication left in the clinic after MAY 24th, 2018 will be discarded according to district policy.

GIRLS ON THE RUN

We are so proud of our Girls On The Run running club this year at VRA! Coach Eagleson, Coach Xanders, and Coach Kovacs want to wish the spring season GOTR girls luck for their first 5K race as a team. The girls will participate in a 5K race at UNF on April 28th to end their season. They have been working very hard and making new friends throughout the season. Each girl has a buddy runner parent or family member that will run with them or hold signs of encouragement. The buddy runners as well as our VRA extended day kids attended our practice 5K at VRA earlier this season. Thank you for cheering us on.

GOOD LUCK LADIES!!!
