Girls on the Run of Northeast Florida

www.GOTRNEFL.org

Girls on the Run® is so much more than a running club!

Our curriculum based program inspires girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running with the purpose to educate and prepare girls for a lifetime of healthy living and self-respect.

Both curriculum—Girls on the Run (3rd-5th grade) and Heart and Sole (middle school) are designed to actively engage a girl's heart, brain and body! Teams will meet at their school twice a week for 10 weeks with Girls on the Run passionate and trained coaches who will lead them in valuable life lessons as well as prepare them to run/walk the end of season 5K with girls from all over Northeast Florida.

Girls on the Run is noncompetitive, encourages forward movement at all time and inspires girls to reach goals, like completing a 5K!

Be sure to sign your daughter up today because teams are first come first serve and fill up fast.
