

# REQUIRED IMMUNIZATION PRIOR TO ENTERING 7th GRADE

Students entering 7th grade next year will need to provide the school proof of their T-dap vaccine on a Florida 680 form before they will be allowed to start school or receive their schedules.

It is not too early to take care of this requirement.

You can take your student to their private physician, the St. Johns County Health Department, Saint Vincent's Mobile Outreach or a walk-in clinic. The vaccine must be documented on a Florida shot record and brought to school.

**Per district policy, all 7<sup>th</sup> grade students that do not have this shot will not be allowed to start school on August 10, 2017.**

Form may be faxed (904-547-4095) or emailed to (paige.lange@stjohns.k12.fl.us) even if the student is still in 6th grade.
