

## Valley Ridge Academy

As we near the end of the school year, I would like to remind you that your child's medication(s) must be picked up from the clinic by the last day of school **May 30, 2025, at 3:30pm.** School policy does not allow for medication to remain in the school over the summer. Any medication left in the clinic will be discarded according to policy.

On our website you will find medication forms for next year:

<https://www-vra.stjohns.k12.fl.us/clinic/>. As you know, a new medical management plan must be completed by a physician every school year whether your child remains in the same school or goes to another. If your child has a physical examination during the summer months, this is a good time to get the forms completed.

**For your convenience, I will accept medication with completed paperwork during your student's meet the teacher time before school starts.**

If you have any questions during the summer, please contact the school nurse at [VRANurse@stjohns.k12.fl.us](mailto:VRANurse@stjohns.k12.fl.us). I will return to school on August 6, 2025.

Have a safe and healthy summer!

Rachel Walker RN
