Blessings in a Backpack

August 2021

Dear Parents and/or Guardians,

Blessings in a Backpack is a non-profit organization that helps provide nutritious snacks for students across the United States who are at risk of going hungry on the weekends.

Valley Ridge Academy is partnering with Blessings in a Backpack for the 2021-22 school year to ensure that students have access to healthy snacks, even when they aren't at school! The Blessings program runs throughout the school year, distributing weekly snacks to participating students in a discreet and safe manner. There is no cost to participate.

If you would like to be considered for this program, please complete the form below and return it to your child's teacher as soon as possible. If you have any questions, please email Diana Schoolfield at Diana.Schoolfield@stjohns.k12.fl.us.
