

THE HAWKS' NEST

Valley Ridge Academy

Volume 3 Issue 3
November 2016

Parents, Guardians and Hawks,

As the year continues to move swiftly along towards the conclusion of the first semester, I wanted to reflect on the passion and commitment that I see at Valley Ridge on a daily basis. Specifically, the engagement of our students across the grade levels. I firmly believe that an involved and engaged student is a successful student and student success is the priority here at Valley Ridge.

One of the best examples of student engagement can be seen in our monthly Character Counts! Celebrations. These celebrations, hosted by our wonderful Guidance Department, ensure that students who embody what it means to be a person of good character are recognized and held up as a model for their classmates. St. Johns County places an emphasis upon the Character Counts! Program and I am proud to see it has taken root here at Valley Ridge. If you would like to know more about the St. Johns County Character Counts! Program, please visit: <http://www.stjohns.k12.fl.us/cc/>

Another form of student engagement that I am proud to see take place here at Valley Ridge are the different before and after school clubs and events. One such example is the Veterans Day Program that took place on Thursday the 10th and was attended by all of our 3rd, 4th, and 5th grade students. A big thank you to Ms. Dresback and Ms. Sandler for their hard work organizing as well as to the many student participants and the Nease Color Guard for helping to make this event so special. Additional events this week include the Kindergarten Thanksgiving Performance on Tuesday, the 15th at 5:30 pm as well as the VRA Band Concert on Thursday, the 17th at 7:00 pm. All of these exceptional events are in addition to the many clubs and sports such as Best Buddies, Early Act, Girls on the Run, Ridge Runners, Art clubs, soccer, volleyball, basketball and many more. If your child is interested in joining a club or program, please continue to watch the Valley Ridge website as well as Hawk Update and Hawks Nest newsletter for more information.

I would like to continue to encourage our parents and community to find ways to stay involved with Valley Ridge and the school district. In that spirit, I would like to recognize Ms. Tiffany Davis-Baer, a member of the Valley Ridge SAC, who participated on the Superintendent selection committee with the district. It is very gratifying that we at Valley Ridge had a strong voice on the committee who truly understands the needs and challenges of our community. I believe Ms. Davis-Baer and the rest of the committee did a tremendous job in their selection of Tim Forson as the new Superintendent of St. Johns County. To learn more about our new Superintendent, please visit: <http://www.stjohns.k12.fl.us/supt-search/2016/11/08/forson-named-next-supt/>

Finally, I wanted to take a moment to wish everyone a happy and healthy Thanksgiving. If you are traveling, please do so safely. I hope that you find time to spend with your loved ones and relax while enjoying their company. I am thankful for each one of you and for the trust that you put in Valley Ridge by making us a part of your family.

Have a happy holiday,

Sandra McMendon

GUIDANCE DEPARTMENT

VRA in partnership with Chet's Creek Community Church has been collecting non-perishable items to assist with Thanksgiving dinner. If you are interested in receiving one of these bags, please call the Guidance Office at (904) 547-4111 or email Mary.Dominguez@stjohns.k12.fl.us. The Thanksgiving bags will need to be picked up no later than Friday, November 18th at 5:00 p.m. All left over bags will be donated to a sister school.

Happy Holidays,
VRA'S Guidance Department

The Ponte Vedra YMCA is gearing up for the Holiday season with its Angel Tree program. If you are in need and would like to participate, please contact Tara Weaver at 904-543-6922 or tweaver@FirstCoastYMCA.org.

Mrs. Dail, our guidance counselor, has been visiting the elementary classrooms, doing special lessons with each class. The kids always love her visit with Puppy.

Ms. MacNaught will be going into the 5th grade classrooms in December to present lessons on empathy, and skills for learning, using the Second Step curriculum.

- Now that school and after school activities are in full swing, it is time to get organized! We all know it takes careful planning for parents and kids to accomplish all the necessary tasks that are required of school, sports and activities over the course of a 24-hour day. This workshop will provide parents with a range of tools and techniques they can use to help their children manage time to accomplish specific tasks, projects and goals.
- This webinar is written for parents. Professionals who work with military-connected children may find it useful, but please remember the target audience is parents. Resources discussed and provided are also intended for parents to use at home with their children.
- This is an interactive webinar offering research based information and ideas for participants.

The session is funded by the Navy Child & Youth Program, Child & Youth Education Services

Several kindergarten classes had students decorate a pumpkin as a book character in disguise. Students were allowed to color, paint, glitter, and/or add accessories and body parts to their pumpkin. Their creativity really shone through, as lots of students and teachers were able to identify their book character, but no one knew that they were really pumpkins! *Ms. Alvarado*

Early Act at the Fall Festival

By: Julia Procacci

Early Act is a club that does service learning projects. There are three different groups and they are international, community, and school. Each group works on a different service project. To do the service projects, we need money. We use the money to help us get what we need for the projects. To help us raise money, we had a booth at the Fall Festival. The games we had were bowling, mystery box, and limbo.

Thank for your support!

Early Act is a service club for elementary and middle school students to increase awareness of problems going on in our community, school and internationally. Early Act works in 3 different groups each focusing on one "group", such as community, school, and international. For each one of these groups we try to come up with some kind of service project we could do to help a certain cause. So far the International group has been working on "Operation Christmas Child". "Operation Christmas Child" is an on-going project that gives children who live in war-torn areas, orphanages, etc. something to look forward to on Christmas. This project will be the first project that the International group will have completed. The Community group is still brainstorming but one possible idea is "The Little Free Library", which is basically a book exchange where you can take a book and give a book. The Community group is thinking of having one of these "Little Libraries" somewhere near Nocatee which would make for a great service project for the community. The School group is still brainstorming in what to do as a service project but they are sure to make a great benefit to Valley Ridge!

What's Happening In Middle School?

Six 7th Grade Students represented Valley Ridge Academy at the 6th Annual AWWA Model Water Tower Competition at Creekside HS on Saturday, October 22, 2016.

Open to all MS and HS students in North Florida, towers were tested and judged based on structural efficiency, hydraulic efficiency, cost efficiency and design ingenuity. All of the towers in this year's

competition are shown (HS upper row, MS lower row). Participants received certificates of recognition. Congratulations to Ben Prohofsky, Hannah Olive, Abby Hamby, Grace New, Haylie Savarese and Bhavya Saxena for their exemplary teamwork, creativity and sportsmanship.

Castillo de San Marcos National Monument

We are pleased to announce that the winner of our Centennial Student Artwork Contest is Srujana Namburi from Mrs. Ingle's fourth grade class at Valley Ridge Academy.

Congratulations Srujana!

Park staff voted on submissions to the contest and Srujana's artwork was selected as the best overall. Her artwork will be featured on the front of the Castillo de San Marcos National Monument's 2017 Annual Park Entrance Pass. For her efforts, we are awarding Srujana with her very own 2017 Annual Park Entrance Pass.

The focus of the student artwork contest centers around the Every Kid in a Park program (<https://www.everykidinapark.gov/>), which has the central goal of connecting fourth graders with their nation's history and inspiring them to become future stewards, ready to preserve and protect national parks and other public lands for years to come.

Hi Parents and Friends of VRA,

As the yearbook sponsor, I am happy to share a new tool that we have to allow you to share photos with the yearbook staff.

If you have photos of events that have taken place at VRA or with VRA students, we would love to have them!

Please go to <http://community.pictavo.com/>

Type in our code - 34360 (or search for the school by state and city)

Log in with your email.

Upload your photos into the folders to share. I have added folders for each grade and each special event. If you have photos that do not fit into one of the categories, please let me know and I will add it.

We would love to have your help and appreciate your support of the VRA yearbook.

Art On The Ridge

Square 1 Art fundraiser packets have been sent home. Thank you to all the families who are helping the Valley Ridge Academy Art Department by ordering beautiful keepsakes with your students art reproduced on it. These make great holiday gifts. <https://www.square1art.com/>

Kindergarten has been studying the characteristics of the color wheel and created a project blossoming in color with their color wheel collage. Example by Max.

First grade has been discussing repetition in art and the famous Pop Artist Andy Warhol. We created our hand print Pop Art paintings. Student example by Colby.

It's Fall Ya'll! Second grade knows all about the vibrant colors of fall after creating their autumn themed landscapes in the art room. We practiced the use of line, texture, and color in these serene collages. Student example by Samantha.

Fifth grade has been doing some fun drawing exercises, and building on our always developing skills. We blended primary and secondary colors to create our tertiary colors in a dynamic way. This month it included a water color hand study project. Student example by Emily P.

ESE Elementary students were chosen to have their artwork exhibited at the St. Johns County District office during the month of October. Great job young artists!

3rd and 4th grades have been working collaboratively in creating the mural for the Veterans Day Poppy flower art installation. They are also working on their 3D ceramics projects as well.

2 years ago the Tower of London was the exhibit for 888,246 ceramic poppy flowers. One flower was created for each soldier that had fallen. VRA students in 3rd and 4th grade have been creating 3D paper poppies and working on a wall mural to honor our Veterans for the ceremony on November 10th. It has been a fun and eye opening project.

Demetri G. and Owen G. are holding the art work that they created for the District ESE Art show.

In the next day or two, you will be receiving your child's custom catalog featuring his or her very own artwork. Included with the catalog is a complementary sheet of stickers. SQUARE 1 ART is the annual fundraiser for the art program here at VRA. Now is the time to take care of those special holiday gifts! Our art program benefits with every order!

Veteran's Day Ceremony at VRA

By Kathryn Walls and Julia Procacci

On November 10th, VRA held its annual Veterans Day Ceremony. Our school does this to support the Veterans around our community. At the program, students in grades 3rd-5th sang songs they practiced in music class. Also, students read letters they wrote and explained the Veteran's Seal and Presidential Proclamation. Students in all grades made posters, wrote letters, and brought in pictures of family members who are Veterans. In addition, students made poppies to honor our Veterans in art class. Thank you Veterans for your service!

November's Art Smart: Principles of Design & Aboriginal Art

This month we will be teaching students about the Principles of Design, which take the elements of art (color, texture, value, line, shape form and space) and arranges them in such a way as to create a composition, layout or design that is both unified and pleasing to look at. Check out the Art Smart website if you would like to learn more about this month's lesson.

HOPE FOR THE HOLIDAYS

A Community Hospice program for the bereaved

The festive holiday season can be challenging for those experiencing the death of a loved one. They may find themselves torn between the need to grieve and pressure to get into the holiday spirit. Regardless of when the death took place, a loss can be felt more acutely at this time.

Community Hospice of Northeast Florida invites you to attend Hope for the Holidays, a workshop created for friends and caregivers who have experienced the death of a loved one. The workshop will help attendees reflect on their loss, learn ways to cope with grief during the holiday season, and to determine what is right for them and their families. They will learn how to reduce energy on positive activities that honor and remember their loved ones and will leave with a renewed sense of hope for the upcoming season.

Hope for the Holidays is open to the public. There is no charge to attend, but attendees should RSVP by calling 904.677.7901.
